The FormanWatkins Women's Initiative was a proud sponsor and attendee of the 26th Annual Evelyn Gandy Lecture Series, hosted by the Mississippi Bar Women in the Profession Committee at the Grand Hotel in Point Clear, Alabama, February 22-24, 2019. As a scholarship sponsor, FormanWatkins provided funding for Mississippi law students to participate in this mentorship event. Highlights from this year's Gandy included a lecture by Judy Perry Martinez, ABA President-Elect Designee, who spoke on the future of the legal profession, in addition to a panel discussion with judges from the state's appellate and trial courts. Conference attendees also participated in a panel discussion regarding successful integration of pro bono and community service in the practice of law wherein panel members recognized the pro bono culture at FormanWatkins.
