

Update on Perrin's Diversity & Inclusion Conference

On November 1, 2018, Nick Giallourakis appeared on a panel at Perrin's Diversity & Inclusion conference to discuss the "white male perspective" in the legal industry's diversity and inclusion efforts. FormanWatkins attorneys Nicole Diesa and Vernon McFarland also attended the conference, which brought together outside legal counsel, in-house counsel, and counsel from several major insurance companies. Nick, Nicole, and Vernon are all members of the firm's Diversity & Inclusion Committee. This was the third year in a row that FormanWatkins attorneys have spoken at the conference, and FormanWatkins continues to cement its relationship with Perrin as a "go to" speaker for diversity and inclusion topics. If you would like to know more about FormanWatkins' participation in Perrin's Diversity & Inclusion in the Legal Industry Conference or to learn about FormanWatkins' Diversity & Inclusion Committee, please do not hesitate to contact Nick, Nicole, or Vernon.
