With more than 25 years of finance and operational leadership experience spanning Fortune 100 companies, private equity-backed firms, and organizations of every scale in between, Elaine brings an extraordinary depth of expertise to her role as Chief Administrative Officer. A graduate of Mississippi College, she has built a distinguished career on a simple but powerful philosophy: bring clarity to complexity and deliver results that speak for themselves.

Elaine is a proven executive and strategic problem-solver who thrives in dynamic environments, consistently transforming operational challenges into high-functioning, efficient solutions. Her colleagues and clients alike know her as a leader of uncompromising integrity. She holds herself to the same standard whether the room is full or empty.

A recipient of the MCI Circle of Excellence Award and formerly credentialed as both a Certified Information Systems Auditor and Certified Internal Auditor, Elaine's accomplishments reflect a career built on discipline, precision, and an unwavering commitment to excellence. She is guided by the conviction that leadership is ultimately about service to others, a belief best captured by one of her favorite principles from Booker T. Washington: "If you want to lift yourself up, lift up someone else."
