

Firm Diversity & Inclusion Committee Hosts Lunch and Learn

Forman Watkins welcomed Demi Brown to speak at a recent lunch-and-learn session hosted by the firm's Diversity and Inclusion Committee. Mr. Brown is the Associate Dean of Intercultural Affairs and Community Life at Millsaps College in Jackson, Mississippi, and presented on Ten Core Concepts Toward Cultural Proficiency. The session was a continuation of the Committee's efforts to provide in-house programming focused on navigating a diverse workplace. Our staff enjoyed lunch with their co-workers and the interesting perspectives offered by Mr. Brown on a number of topics currently in the headlines.
