

Firm Recognizes 2021 Pro Bono All-Star and Civic Star Award Recipients

The Firm is excited to announce that Jordan Nixon and Trey Watkins, respectively, received the 2021 FormanWatkins **Pro Bono All-Star** and **Civic Star** awards!

Jordan Nixon, an Associate in our New Orleans office, was awarded the Pro Bono All-Star for dedicating over 190 pro bono hours during 2021 representing clients with limited resources. She spent the majority of her pro bono hours working through an incredibly difficult immigration case which resulted in a great outcome for the client.

Trey Watkins, a Partner in our Jackson office, was awarded the Civic Star for dedicating over 260 civic hours to organizations such as The Redeemer School, Jackson Preparatory School, and Redeemer Church.

We are grateful to have so many employees who devote so much time to their communities each year, and we are proud they are a part of the FormanWatkins family. [Read more on our Pro Bono and Civic Engagement initiatives here.](#)
