

Firm Recognizes 2022 Pro Bono All-Star and Civic Star Award Recipients

The Firm is pleased to announce that Catherine Pettis and Jennifer Parks, respectively, received the 2022 FormanWatkins **Pro Bono All-Star** and **Civic Star** awards!

Catherine Pettis, an Associate in our Jackson office, was awarded the Pro Bono All-Star for dedicating nearly 100 pro bono hours during 2022. The major of her pro bono work was representing a client from the Public Defender's Office in a capital murder conviction appeal.

Jennifer Parks, a legal assistant in our Jackson office, was awarded the Civic Star for dedicating more than 230 civic hours to local, state and national Legal Associations, Wills for First Responders and within her church's women's, youth and media ministries.

We are grateful to have so many employees who devote so much time to their communities each year, and we are proud they are a part of the FormanWatkins family. [Read more on our Pro Bono and Civic Engagement initiatives here.](#)
