FormanWatkins attorneys Nick Giallourakis, Mitch McGuffey, and Spencer Ritchie guided their global investment group and sports entertainment company clients to a successful approval of zoning changes required for a major mixed use development project planned in the City of Ridgeland, Mississippi. The Mayor and Board of Alderman approved the ordinance implementing the zoning changes unanimously following a public hearing.

The golf entertainment company facility will serve as anchor of the 77-acre mixed use development named Prado Vista at Ridgeland. The development will also include a national grocery store, two high-end hotels, more than 100,000 square feet of office, retail and restaurant space, an entertainment venue, 228 homes for sale, and a river walk.
