

FormanWatkins Selected as Best Places to Work by New Orleans CityBusiness

FormanWatkins is pleased to announce its selection by *New Orleans CityBusiness* as one of the Best Places to Work. The New Orleans office earned the same distinction in 2019 and 2021 as well. Voted on by employees, the firm values this honor each year as it speaks to the vitality of the firm's culture.

To participate in Best Places to Work, companies submit extensive nomination forms disclosing workforce data such as salaries, benefits, retention levels, and employee advancement. Employees of the nominated companies are then anonymously surveyed to measure workplace culture. All companies chosen are honored at an awards event where the top three large and small companies are announced. The list is then published in the year-end issue of New Orleans CityBusiness magazine.
