

Offices Continue Traditions with Local Charities

In the spirit of giving, our New Jersey, Jackson, and New Orleans offices kept with past traditions and donated their efforts with local charities.

- New Jersey purchased various winter items and donated them to Lunch Break.
- Jackson adopted children from the Angel Tree Program through Prison Fellowship Ministries.
- New Orleans adopted a family through Catholic Charities' Adopt-A-Family program.

Thank you all for your compassion and continued support of these local charities!
