

Perrin Conferences' Asbestos Litigation Conference: A National Overview & Outlook

Please join FormanWatkins attorneys at Perrin Conferences' Asbestos Litigation: A National Overview & Outlook Conference from September 28 - 30 at the Fairmont Hotel in San Francisco, CA. This event brings together the premier attorneys and leaders in the asbestos litigation industry, including many of the nation's leading plaintiff and defense attorneys, judges, insurance professionals, risk managers, and scientific and medical experts.

WG Watkins is delivering a presentation that will provide attendees with an update on current trends, statistics and dynamics impacting asbestos litigation. There will also be many other panels, workshops, and social and networking events to take advantage of.
