

W.G. Watkins Named BTI Client Service All-Star for 2023

W.G. Watkins, a Founding Partner of Forman Watkins & Krutz, LLP, has been named a BTI 2023 Client Service All-Star.

This list recognizes a select group of just 293 attorneys in the United States who demonstrate an unwavering commitment to providing exceptional client service. The BTI Consulting Group curates the list solely from unsolicited nominations submitted by large corporations and Fortune 1000 organizations. Now in its 22nd year, the BTI Client Service All-Stars LIST is the only ranking and attorney recognition relying solely on clients in an organic fashion.
